25X1

(* Present for only first three items listed below)

Utilization Advisory Board:

1. The agencies represented indicated they had no suggestions for change in the draft presented. The Chairman stated that he would recommend that this paper be signed by the Director of Central Intelligence.

Preliminary Reports on Coverage:

2. It was agreed that [redacted] would prepare as necessary a preliminary report for Operations on coverage achieved. This would be submitted to the other agency liaison officers in [redacted] for comment prior to transmittal. [redacted] would disseminate to each agency and participating CIA office a copy of the Preliminary Report as transmitted to Operations.

3. It was understood that subsequent to the above mentioned report and from time to time agencies, on the basis of analysis of [redacted] materials, would wish to submit additional targets either on a one-time or repetitive surveillance basis. It was agreed that such requests should be brought to the attention of the Committee.
